Re: <u>United States v. Radames Gonzalez</u> 23-CR-318-2 (ER)

Dear Judge Ramos:

Radames Gonzalez, through undersigned counsel, respectfully moves the Court for an order modifying his conditions of pretrial release. Specifically, Mr. Gonzalez asks the Court to remove the stand alone monitoring and GPS conditions. Pretrial Services reports that Mr. Gonzalez has been on supervision for the past six months with no issues of compliance, that he checks in weekly, has tested negative for illicit substances, has always made himself available for visits and/or community contacts with Pretrial Services, and that he reports as directed. Pretrial Services also notes it did not recommend that these conditions be imposed at Mr. Gonzalez's initial appearance.

Undersigned counsel has conferred with both Pretrial Services and the Government about this request. Neither have any objections to the removal of these conditions. Accordingly, Mr. Gonzalez respectfully asks the Court to remove the standalone monitoring and GPS conditions.

Respectfully	Submitted,
